Sir,

I have the honour to apply for the sanction of the Chief Commissioner to the disbursement of the increase provided in the Budget for the Curator of books. M Coleman—

M. Bowring permitted me to enter the increase when the Budget was prepared with the following proposition statement An increase of Rs 50 a month to the salary of the Curator raising it from Rs 150 to 200 has been entered since the appointment of a Curator in 1865 the sales in the Central and Branch Depots have increased from Rs 3000 in 1865 to nearly

Rs 15000, during the past official yea
the work and responsibility of the Curat
have been increasing and are likely t
go on increasing as new schools are
established in the Province The val
of the stock in the Curator's charge
is nearly Rs 33000." The amount ha
received the sanction of the Government
India, and I intimated the fact to
W Coleman -

In the P O this is entered as 41000

Sir,

In reply to your letter, No. 246 of the 8th. Inst. I am directed to state that the increase sanctioned by you to the pay of the Curator of the Govt. Book Depot has not received the sanction of the Govt. of India, and that you have apparently misunderstood what has been done in the matter and what was the effect of the provision made for the item in the ~~Budget~~ Budget.

The increased charge was not entered in the Retrenchment Statement submitted by Mr Bowring for the orders of Govt., & it has therefore never been under its consideration, while the mere provision in the budget is no authority to the outlay being incurred.

Let a retrenchment statement in the usual form should now be submitted for sanction

transmission to the Govt
of Sudan, showing clearly
the grounds on which
the proposal is based.
